PTO Mission

The purpose of the Falmouth Middle School PTO is to support our students, teachers, and school administrators in maintaining a safe, vibrant and inspiring school community. To this end, the PTO strives to: promote communication between school and home; provide funding for enrichment opportunities; organize volunteer assistance; and plan community events that foster a positive school environment.

Ways to volunteer

There are many opportunities to volunteer throughout the school. The PTO attempts to match your interest with a specific need. To accomplish this we ask that you complete the volunteer form (which is sent home from school or available on the PTO page of the Middle School website) or contact the volunteer coordinator, Betsy Perron at mlperron@maine.rr.com or at 781-4054.
