Greetings from Mrs. Piveronas and Mr. Carter,

We hope you are looking forward to a fun and relaxing summer. We are looking forward to a great year working and learning together.

August is still a long time away, but we want to share this information. If you and your parents are able to stop by the school, we will be in our classrooms on Tuesday, **September 1 between 2:00 - 4:00**. Please feel free to stop in and say hello. This is an informal time and not a formal open house. If you are out of town or unavailable don't worry - visiting isn't required!

We are also enclosing the list of materials that sixth graders need. We will send this list again in August.
