PARENT SURVEY

Dear _____

Date _____

A PET was recently held on behalf of your child, _____ .
The decisions made by the team are very important and I hope that you felt the experience was positive and productive.

Our goal is to continually improve our special education process and the services we deliver to students with disabilities. Your feedback and insight will help our staff make adjustments to support this effort. Please complete this short survey, which will be given to parents after the initial PET process and following your child's annual review. You may mail the completed survey to us, drop it off at the Superintendent's Office or complete it on line at www.falmouthschools.org.
