

## Middle School Technology Lead Teacher

- ✓ Act as a resource for middle school teachers for technology use in the classroom
- ✓ Assist in the implementation of middle school technology-based learning initiatives such as electronic portfolios, NWEA reading assessment, MEAs, and web-based research
- ✓ Assist Middle School Technology Coordinator with applications support to teachers
- ✓ Participate in regional professional development opportunities
- ✓ Facilitate sharing of successful use of technology as a learning tool at the Middle School
- ✓ Communicate strengths, needs, and potential of technology integration at the Middle School
